Dear Parent/Carer,

I have been into school to talk to the children about the possibility of learning to play a violin, viola or cello as I currently have a few spaces, and I am delighted to tell you that your child has expressed an interest in having lessons.

The tuition is provided as 15 minute lessons per child. This means that a productive amount of time can be spent with your child on a 1:1 basis or that two students of similar standard can combine for a 30 minute lesson if the class teachers are in agreement. All instruments are loaned to students free of charge.

Tuition fees are paid termly in advance direct to NMPAT, not the school. If, after your child starts their lessons, you wish to discontinue those lessons, you should give a minimum of five teaching weeks' notice to NMPAT.

Children on Pupil Premium can apply for bursary funding towards the cost of music tuition. Applications should be made direct to the school and, if granted, we will inform NMPAT who will invoice the school in respect of this contribution. You will then receive information from NMPAT about any payment remaining due.

What to do next:

If you would like your child to start instrumental lessons in school with me, please email NMPAT using this email address: lessonsdirect@NMPAT.co.uk and state your child's name and school, and which instrument they would like to learn. NMPAT will then register your interest and contact you with regard to availability and cost.

If you encounter any problems, or have any further questions at this stage, please feel free to email me at jmold@NMPAT.co.uk and I will get back to you as soon as possible.

Yours sincerely,

Janine Mold – Strings Teacher and Centre Head at Brackley and Cheney Centre
